Representative Rooney's subcommittee of House Appropriations and includes Preston, Sikes, Bow, Cederberg, and Lipcomb. Wilson indicated he had no idea how Mr. Rooney might wish to do this but he would mention our offer and would advise us.

5. Talked with Jack Leahy in the Department of State mentioning to him the article in the NATIONAL REVIEW of 15 August 1959 concerning the Senate Internal Security Subcommittee on communism in Cuba. Leahy knew no basis in fact for such a story but did indicate that the Department had requested in writing the opportunity to review the executive session transcript [REDACTED]
